 - 9.1.2 recover the costs of carrying out that work from the Owner as a debt, due and payable at the Owners Corporation's direction and as a contribution according to section 80(1) of the Strata Schemes Management Act 1996 and which, if unpaid within 1 month of being due, will bear interest at the rate of 10 percent per annum until paid or if the regulations provide for another rate, that other rate and the interest will form part of that debt.

PACIFIC WAVES BUILDING

Building Manager's proposed by-laws

6. Special By-law — Use of pool courtyard

Explanatory Note: *The common property pool courtyard recreational area is popular with lot owners and occupiers in the Pacific Waves Building (PWB), SP61139. In the past lot owners and occupiers have invited onto this part of the common property large numbers of guests such that nearby lot owners and occupiers were disturbed by the noise and/or other lot owners and occupiers were excluded from using the roof top recreational area at the same time. Further, PWB is a secure building that does not therefore readily facilitate the ingress and egress from the PWB of large groups of visitors. Lot owners and occupiers are therefore limited to 6 guests or visitors each at any one time.*
